

WELCOME TO TLAXIACO

Location

The Oaxaca Mixteca is one of the eight regions of Oaxaca, located north of that Mexican state. The Mixtecs formed one of the brightest civilizations in Mesoamerica, survived the Spanish Conquest and fostered an impressive Mixtec-European syncretic tradition that lasts to date.

About Fundación Ávila Cuz

Their mission is to raise the economic, cultural and social level of the indigenous communities, in conditions of poverty and marginalization through health, education, food security and productive projects that generate well-being for the members of the communities. Their projects aim to reduce food poverty, hearing impairment and oral diseases through sustainable strategies focused to improve economic and social well-being.
